

CAfe ART

In partnership with  Sawyers church

CAFÉ ART - CREATIVE SENSORY ART Wednesdays and Fridays at the Crown Café

Café Art is a typical expression of the partnership between Sawyers Church and Frontline. The concept is to give the opportunity to clients to enjoy the art making process. It is a sensory exercise aimed at promoting motor and visual stimulation. It does not matter if the final result is a simple line on paper or a complete painting. It is not about completion or competition but fun and what everyone is able to create individually or with the interaction and help of carers.

We welcome people with a learning disability. Clients are able to create artworks through simple techniques such as collage and textures, mixing colours, drawing and painting.

Although there is always a lesson prepared in advance, clients are allowed to be spontaneous. They can create their own artworks with the materials available on the day.

Come to visit us and see how it works. The art session is run alongside **Crown Café**. You can buy a delicious brunch, cakes, drinks and snacks, you can enjoy socialising with friends and make it a fun morning!

Café Art happens every Wednesday and Friday from 10:30am to 12:00pm during school term time only. A gifted and experienced Art Tutor runs the session together with skilful and caring volunteers.

To book call: 01277 233889

Sawyers Church, Sawyers Hall Lane, Brentwood, CM15 9BN
Fees: £7.50 per session – payment for each term is required in advance.
