

MEET THE TEAM

Hi, I am Mary (being served in photo) and I have been having fun at The Gates for the last 15 years. My journey began as a volunteer, for what was then, The Cemetery Gates. A couple of years later, I was given the opportunity to manage the project and form part of Frontline Partnership.

Over the years we have developed the disused Council plant nursery into a thriving horticultural project. Along the way we have added numerous fundraising days and ideas and developed all sorts of different learning opportunities.

We have an amazing team of staff, volunteers and participants and we all love 'just having a go' at new site projects and builds, creative stuff and events.

I am very much looking forward to another exciting fun-filled year at The Gates.

During February half term, Café Art took a trip to London to see the "Van Gogh: The Immersive Experience" Exhibition.

The group had the opportunity to see his artworks, the multitude of vivid colours, his brush stroke styles, compositions, sculptures and moving images all in a bigger scale, which was astonishing to our eyes. We also spent some time colouring Van Gogh's most famous images in a workshop area.

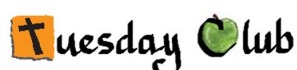

After exhibition time we had more things to see and buy at Spitalfields Market, as well as having our lunch break on the market premises.

On our way back to Liverpool Street station, we took some photos with the elephant sculptures in the street. Some of us thought this was the highlight of the day!

**29th March is the last
Crown Café this term.
We will be off for the
Easter holidays.
Crown Café will reopen
19th April.**

**28th March is the last Tuesday Club this term.
Tuesday Club will return 18th April.**
