

MEET THE TEAM

Hi, I'm Harry (in the black shirt on the far right of the picture), and I run the Frontline Great Danes Inclusivity Football group. I have been working with Frontline for around two years now after being introduced via Sawyers Church. My working background has been predominantly in finance, but I am currently studying psychology in line with reorienting my longer-term goals. Outside of work I am quite straight-forward, usually either reading, in the gym, playing basketball, or eating!

I have lived in Brentwood for around 4 years now, and feel truly privileged to be part of such a diverse organization supporting the community. Our group continues to grow together, individually and collectively, and we had a successful year of competitive games that has just finished. Over the summer we are looking forward to continuing to improve (on the grass pitches now the sun is back out!) and playing some friendly games with some of our friends at other football clubs.

The team's great progress is clear to see to all of our loyal spectators, in no small part due to great commitment the team has made to regular attendance at our weekly training sessions.

My job coach and I work ► together at the Lighthouse Furniture Project in Hutton. Every week we spend an hour dusting and polishing the stock. My favourite part of the job is dusting and tidying the DVDs and the mugs. Everyone is pleased to see us and says our polish makes the shop smell lovely. I like earning my own money to go shopping.

Hanging baskets are now available to order from The Gates at £15 per basket. A 15" lined rattan hanging baskets + soil fertiliser + moisture retaining granules and a mixture of 9 plants in your choice of colour scheme. Baskets can be collected from The Gates by prior arrangement or picked up at our Open Day on 21st May. Please contact
mary.y@frontlinepartnership.org or
phone: Mary 07887 742622

Easter School 2023

Easter school went really well. Having the pop-up café on the Wednesday gave other people an opportunity to work in the café. We have some exciting summer schools planned; the dates will be available soon .
