

WE ARE HIRING

Frontline is a registered charity that supports people with a learning disability and high support needs to live full and productive lives through their active contribution, inclusion, and participation within the local community.

Accessible Music Education and Performance for All

The Music Man Project, <https://themusicmanproject.com/>, teaches children and adults with learning disabilities to sing, sign and play original music and arrangements. We train our students to become respected musicians in their community, capable of entertaining large audiences at prestigious concert venues through the study of standard repertoire using standard instruments.
