

**MEET THE TEAM**

Hello, I'm Rebecca, and I have worked at Frontline for 8 years now! As Senior Administrator, I'm usually behind the scenes doing all the admin, but I help out where needed. The most important person in my life is my daughter, Beatrice. I also have a Border Collie called Stevie, a tortoise called Tina and two horses, John & Demelza. Horses have always been a big part of my life. I love gardening, baking, reading and generally being in nature.

## Frontline Football Update

The Frontline Football initiative continues to go from strength to strength. We've welcomed several new members this season, and our involvement in the Essex Soccability League has been a real highlight — the team's record has improved with more wins on the board, but most importantly, every single player is having a fantastic time. Team spirit is at an all-time high, and the bond within the group is something really special.

We're also thrilled to be back training on the grass pitch at Great Danes this summer, which everyone has been really excited about. And thanks to generous funding from Sport England, the team now has a brand new kit — players have more choice in what they wear to training and matches, and there's a real sense of pride in pulling it on and representing the team.
