

Thank you!!

Tony Skinner for raising a fabulous **£1500** for The Gates Horticultural Project!!

It will be used very wisely (and very inventively) to enhance The Gates 'experience' for everyone who has any contact with this amazing project 😊

Tony says: "Thanks again to everyone that donated to the Gates Horticultural project. I'm pleased to say we completed the North Downs Way. It was tough going at times but lead us through some of the best countryside Essex, Kent and Surrey has to offer. We have climbed the equivalent of 15 x the height of London's tallest building, the Shard which has afforded us fantastic views over the surrounding areas and beyond. We can't wait to hear how The Gates will use our donated funds. Until next time Tony, Adam, Andy, Marc and Ken".
